Description

Create pretty carnation shapes and embossed decorations with this Cake Star plunger cutters set. With 3 cutters in the set, this collection is the perfect way to create small, medium and large floral cake decorations and cookie toppers.

Cut out your shape by using the outer edge of the cutter or cut and press down the plunger to emboss a carnation embellishment. The plunger can also help you to push out your shape once it's cut, ready for you to place on your cakes or cookies.

Set of 3.
